

## INDEX TO VOLUME 96 OF THE AMERICAN JOURNAL OF PHARMACY.

### AUTHORS.

PAGE	PAGE		
Beal, J. H.—A. Ph. A. Headquarters Building .....	78	Gershenfeld, Louis — Household Insect Pests and How to Rout Them .....	321
Bingay, M. W.—The Newspaper and the Medical Profession .....	150	Gillie, K. B.—The Cascara Content of the Wood and Bark of Rhamnus Purshiana ...	400
Braisted, W. C.—Presidential Report of Philadelphia College of Pharmacy and Science for year ended March 31, 1924.	386	Griffith, Ivor—A Half Century of Research in Plant Chemistry .....	601
Clark, R. H.—The Cascara Content of the Wood and Bark of Rhamnus Purshiana.....	400	Chemistry as a Source of New Wealth .....	828
Cofman, V.—Pharmaceutical Research .....	437	Editorial..... I, 167, 168, 246, 319, 467, 545, 547, 793	
Cook, E. Fullerton—Chocolate...	549	Idiosyncrasies, or the Story of a Sneeze .....	170
Couch, James Fitton—The Evolution of Chemical Terminology, VIII—Toxin .....	746	Obituary of Edward L. Patch. 296	
Dauphinee, James Arnold—The Physiological Value of British Columbian Foxgloves...	796	Remington Honor Medal 1924 to George M. Beringer ..... 367	
Dobbs, H. J.—Ligatures and Sutures .....	6	The Romance of Insulin .... 114	
Dunn, Marin S.—Social Insects. 412		Hamilton, H. C.—Digitalis..... 213	
Dunning, H. A. B.—The All-Pharmacy Headquarters for American Pharmacy .....	719	Harrison, Joseph W. E.—Diethyl-phthalate in Tincture of Iodine .....	758
England, Joseph W.—Excessive Acidity of Official Solution of Magnesium Citrate .....	657	Hart, Edward—Some Curious Medicines .....	228
Obituary of John F. Hancock. 61		Harvey, Ellery H.—Efficiency of Some Organic Dyes as Antifermenents .....	585
Thomas Wiltberger, a Founder of the Philadelphia College of Pharmacy .....	436	Some Physico-Chemical Properties of Starch, I and II 752, 816	
Fairchild, Benjamin T.—The Pancreas Gland .....	37	Hepburn, Joseph Samuel—A Connecting Tube for Modified Knorr and Sy Flasks.....	29
Farwell, Oliver A.—Substitute for Nut Gall .....	435	A Contribution to the Chemistry of Alkatan .....	804
Hogstad, Anton, Jr.—Aims and Development of the Pharmacognosy Laboratory of the South Dakota State College of Pharmacy .....	675		

PAGE	PAGE		
Some Studies on the So-called Western (S. Dakota) Oil of American Wormseed .....	809	Notes on Some Tests for Methanol .....	583
Hooper, Charles W.—The Development, Pharmacology and Relative Toxicity of the Modern Local Anaesthetics..	473	Studies of Tests for Acetone and Aldehydes .....	507
Horn, David W.—Microscopic Detection of Some Fortified Milks .....	365	The Detection of Diethyl-phthalate .....	503
Hughes, Edward J.—Helium and Other Rare Gases .....	662	What is a Poison? .....	822
Jacobs, Joseph—Practical Suggestions from Experience...	886	Lichtin, Aaron—The Iron Content of Spinach .....	361
Keefer, Norman D.—Reviving Withered Flowers With Aspirin .....	227	Lloyd, John Uri—Correspondence	842
Kilmer, Fred B.—Ligatures and Sutures .....	6	The Handwriting on the Wall. ....	31
Kraemer, Henry—The Future of Pharmacognosy .....	194	Mathey, G. S.—Ligatures and Sutures .....	6
LaWall, Charles H.—Editorial..	224	Moerk, Frank X.—Something About Gases .....	556
Glycerin as a Disturbing Factor in the Test for Methanol in Ethanol .....	226	Newcomb, E. L.—Plant Science Laboratory Seminar .....	80, 194
Obituary of Samuel P. Sadtler .....	134	Palmer, L. S.—Modern Methods of Studying Vitamins .....	206
Study of Pharmacy and Its Strides in the Last Century	894	Peacock, Bertha L. DeG. and Josiah C.—Notes on the Iron-Greening Factor of <i>Digitalis</i> .....	875
The Romance of Drugs.....	246	Peshkin, M. Murray—Bronchial Asthma and Other Allergic Manifestations in Pharmacists .....	524
Leffmann, Henry—A Micro-dissillation Apparatus .....	506	Rose, Edward S.—Chocolate in Chocolate-coated Pills and Tablets .....	590
Arctic and Tropical Pennsylvania .....	865	Sale, J. W.—Labeling of Beverages and Beverage Material under the Federal Food and Drug Acts .....	906
Editorial .... 2, 75, 397, 470, 639, 717, 795.	861	Silberrad, C. A.—Chemistry in France in the 17th and 18th Centuries .....	139
Further Notes on Rodillon's Test for Nitrites .....	295	Stonebach, William F.—A Paradise Found .....	667
Hydrogen-ion Concentration in Relation to Animal and Plant Growth .....	509	Stroup, Freeman P.—Chemistry In and About the Home....	641
Microchemical Tests for Hexamethylene-tetramine .....	366		

PAGE	
Stroh, Robert H.—A Contribution to the Chemistry of Alkatan	804
Sturmer, J. W.—The Story of Rubber	721
Sung, L. K.—Native Chinese Methods of Drug Administration	287
Viehöver, Arno—Cyanogenesis.	203
PAGE	
Wood, Horatio C.—Editorial	472
Sugar .....	278
Yarsley, V. E.—Color and Chemical Constitution .....	56
Youngken, Heber W.—American National Research Council..	102
Drugs of the North American Indian .....	485

## SUBJECTS.

PAGE	PAGE		
Abstract, Itinerary of .....	535	Toxicity of the Modern Local .....	473
Acetone and Aldehydes, Tests for .....	507	Another Institution of Learning .....	547
Acetphenetidin and Vanillin, Solubilities of .....	597	Anti-ferments, Relative Efficiency of Chemicals .....	587
Acid, Hydrocyanic as Lethal Agent .....	233	Ants .....	336
Acid, Metaphosphoric, Hydrolysis of .....	772	Apomorphine, Reactions of .....	447
Air, Composition and Uses of .....	570	Apparatus, Micro-distillation .....	506
Air, Liquefaction of .....	567	Arctic and Tropical Pennsylvania .....	865
Air, Pollution by Automobile Exhausts .....	65	Arsenic Supply .....	624
Air, Rare Constituents of .....	568	Aspirin, Reviving Withered Flowers .....	227
Alcohol as a Motor Fuel .....	533	Aspirin, Stability of, in Presence of Cinnamic and Oxalic Acid .....	593
Alcohol, Glycerin a Disturbing Factor in Test for Methanol in .....	226	Asthma, Pharmacists .....	472
Alcohol in Fact and Fiction .....	372	Automobile Anti-freezing Mixtures .....	916
Alcohol Problem, Some Aspects of .....	470	Atom, Structure of the .....	397
Aldehydes and Acetones, Tests for .....	507	Barium Sulphate .....	769
Alkaloidal Solutions, Potentiometer in the Quantitation of .....	762	Barium Sulphate, Toxicity of .....	448
Alkaloids, Action on Plants .....	232	Barium Wall Plaster .....	301
Alkaloids, Quantitation of, With Silico-tunstic Acid .....	762	"Bayer 205" .....	838
Alkatan, Bibliography .....	809	Bean, Jumping .....	630
Alkatan, Chemistry of .....	804	Bed Bugs .....	325
Allergy, Human Dandruff .....	232	Beringer, George M., Remington Honor Medallist, 1924 .....	367
Allergy in Pharmacists .....	524	Beverages, Labeling of .....	906
Alum .....	718	Bile Pigments, New Test for .....	768
American Apothecaries, Foreign Impression of .....	306	Bios .....	629
American National Research Council .....	102	Bismuth in Glycerite of Bismuth .....	764
American Pharmaceutical Association Headquarters Building .....	78	Blood Coagulants, Standardization .....	764
Anesthetics, The Development, Pharmacology and Relative .....	81	Blood Corpuscles, Count of .....	232
		Book Reviews .....	70, 165, 238, 314, 390, 452, 536, 634, 712, 785, 852, 923
		Bush Sickness .....	848
		"Cadet's Fuming Liquor" .....	861
		Calcium in Hay Fever and Asthma .....	158

PAGE	PAGE
Calcium Oxalate Crystals, Identification of ..... 108, 109	Curious Medicines ..... 228
Calomel Ointment, Assay of ..... 712	Cyanogenesis ..... 203
Camphor Substitute ..... 710	Dermatitis, Plant ..... 220
Cancer from Oils ..... 774	Diabetes and Insulin ..... 114
Carbon Dioxide ..... 580, 916	Dick Test for Scarlet Fever ..... 844
Carbon Monoxide ..... 66	Diethylphthalate, III ..... 762
Carbon Monoxide, Lobelin as Antidote for ..... 627	Diethylphthalate, Detection of... 593
Carbon Monoxide Poisoning 623, 846	Diethylphthalate in Tincture of Iodine ..... 758
Carbon Tetrachloride Fire Extinguishers, Dangers of ..... 66	Diethylphthalate, Some Reactions of ..... 772
Carpet Beetles ..... 338	Digitalis ..... 213
Cascara Content of Wood and Bark of Rhamnus Purshiana 400	Digitalis, British Columbian .... 796
Chemistry as a Source of New Wealth ..... 828	Digitalis, Notes on the Iron-greening Factor of ..... 875
Chemistry in and About the Home ..... 642	Disinfecting Formulas for Ligature Tubes ..... 14
Chemistry in France in 17th and 18th Centuries ..... 139	Distillation, The Story of..... 75
Chemistry, Plant, Research in. 601	Doctrine of Signatures ..... 244
Chenopodium Oil, Some Studies of the So-called "Western" (South Dakota) ..... 809	Drug and Food Drying, Cleaning and Milling ..... 87
Chinese Methods of Drug Administration ..... 287	"Druggist is More Than a Merchant" ..... 793
Chloroform and Chloral Hydrate, Color Test for ..... 307	Drugless Drug Store ..... 168
Chocolate ..... 549	Drug Market, Report of Committee on, 1924 ..... 688
Chocolate in Chocolate Coating Pills and Tablets ..... 590	Drugs of the North American Indian ..... 485
Chocolate Production in 1917.... 553	Drug Sampling, Grinding, Powdering and Sifting ..... 88
Coagulants, Standardization of Blood ..... 764	Drugs and Spices ..... 91
Cocain ..... 477	Drugs, The Romance of..... 246
Cochculus Alkaloids, New ..... 307	Dyes as Anti-ferments ..... 585
Cocoa ..... 555	Dyes and Disease ..... 319
College of Microbiology ..... 547	Dyes, Bibliography of Articles Bearing on Bactericidal Action ..... 588
Colloids, Plant ..... 211	Eggs, Fresh and Otherwise, Characteristics of ..... 711
Color and Chemical Constitution 56	Elements, The Nature of ..... 639
Coramin ..... 710	Ergot, American ..... 219
Correspondence ..... 842	Ethylene Gas in Floriculture.... 710
Cumarin and Vanillin, Distinction Between ..... 533	Ethyl Gasoline ..... 846
	Ethyl Gasoline Poisoning ..... 861

{ Am. Jour. Pharm.  
Dec., 1924.

PAGE	PAGE		
Ethyl Lactate .....	917	Glandular Tissue, Ratio of Desic- cated Material to Fresh ..	445
Ethylene, Uses of .....	300	Glass, Non-splintering .....	774
Evolution of Chemical Termi- nology—VIII—Toxin .....	746	Glass, Quartz .....	64, 917
Fire Extinguishers .....	579, 653	Glass, Silica .....	64
Fire Extinguishers, Carbontetra- chloride, Dangers of .....	66	Gold in Sea Water .....	629
Fire Proofing and Fire Extin- guishing Agents .....	699	Government Bulletins .....	73
Flasks, Knorr and Sy, Connect- ing Tube for .....	29	Glycerin, Separation of .....	762
Fleas .....	327	Glycerin, A Disturbing Factor in Methanol Test .....	226
Fluid Extracts, Stability of .....	765	Haarlem Oil Poisoning .....	531
Flies .....	329	Hancock, John F.—Obituary.....	61
"Foamite" .....	710	Handwriting on the Wall.....	31
Food and Drug Drying, Clean- ing and Milling .....	87	Hay Fever .....	170
Food from Test Tube and Crucil- ble .....	835	Health, Industrial .....	390
Foods and Sun Light .....	775	Heart, Power of .....	774
Formaldehyde Embalming Mix- tures as Interferences in Toxicological Investigations.	849	Helium and Other Rare Gases..	662
Formulas, Disinfecting for Lig- ature Tubes .....	14	Herbarium Material, Preparation of .....	98
"Tox," Etymology of the Syl- lable .....	795	Heroin Banned .....	546
Foxgloves, British Columbian...	796	Hexamethylenetetramine, Micro- chemical Tests for .....	366
Francis, Dr. John M.—Obituary.	162	Home for American Pharmacy..	243
French, Howard B.—Memoir (Portrait) .....	889	Honey Water as a Non-Freezing Engine Cooler .....	303
Fringing the Hinterland of Sci- ence .....	467	Hydrogen-Ion Concentration in Relation to Animal and Plant Growth .....	509
Fuels, Heating Values of .....	645	Hydrogen Sulphide, Toxicity of.	232
Garden of Herbs, Bethlehem...	667	Idiosyncrasies .....	170
Garlic, Oil of .....	448	Illustration of Connecting Tube for Knorr and Sy Flasks ...	30
Gases, Liquefaction of .....	561	Industrial Health .....	390
Gases, Rare .....	662	In Memoriam — Howard B. French .....	889
Gases, Rare, Tabulation of Physi- cal Constants .....	570	Insecticides and Fumigants .....	348
Gases, Something About .....	556	Insect Inebriates .....	159
Ginger, Analysis of Double Strength Tincture .....	771	Insect Literature, Bibliography of	434
		Insect Pests and How to Rout Them .....	321
		Insects, Social .....	412
		Insulans .....	129
		Insulin and the Skin.....	767

PAGE	PAGE		
Insulin, Control and Standardization of .....	53	Microscopic Analysis, Qualitative .....	110
Insulin, Prevalence in Tissues....	775	Microscopic and Microanalytical Methods .....	106
Insulin, The Romance of .....	114	Micro-distillation Apparatus ....	506
Intarvin .....	160	Milks, Microscopic Detection of Some Fortified .....	365
Iodine, Diethylphthalate in Tincture of .....	758	Mock Trial .....	919
Iodine in Fertilizers .....	628	Money, Cleanliness of .....	628
Iodine Ointment, Stainless .....	711	Morphine Content of India Opium .....	379
Iodine, Permanence of Tincture of .....	761	Mosquitoes .....	332
Iron Content of Spinach .....	361	Moths .....	337
Isotopes .....	640	Names and Names .....	717
Itinerary of an Abstract .....	535	Narcissine .....	629
Kaolin in Pharmacy .....	159	Nard Lore .....	395
Kaolin Ointment .....	160	News Items and Personal Notes, 67, 162, 234, 308, 449, 631, 849, 918	
Kjeldahl Method, Studies of....	379	Newspaper and the Medical Profession .....	150
Labeling of Beverages .....	905	Nicotine .....	916
Lead, Determination of Small Quantities of .....	444	Nitrites, Further Notes on Ro- dillon's Test for .....	295
Leptotaenia dissecta, Chemical Examination of .....	766	Nitrogen, Fixation of Atmos- pheric .....	576
Levulose .....	774	Novocain .....	479
Ligatures and Sutures .....	6	Nut Gall Substitution .....	435
Lobelin .....	627	Obituary—	
Lysol, Analysis of .....	622	Dr. John M. Francis .....	162
Magnesium Citrate, Excessive Acidity of the Official Solution .....	657	John F. Hancock .....	51
Medical and Pharmaceutical Notes .....	158, 304,	Edgar Leonard Patch .....	296
	447, 531, 710, 768, 844	Samuel P. Sadler .....	134
Medical Profession and the Newspaper .....	150	G. William Sample .....	163
Medicines, Curious .....	228	Charles A. Widemann .....	370
Metaphosphoric Acid, Hydrolysis of .....	772	Oil, Cancer .....	774
Methanol in Ethanol, Test for..	226	Oil, Cod Liver Concentrate.....	759
Methanol Synthesized .....	300	Oil of American Wormseed, Studies on the So-called "western" (South Dakota) ..	809
Methanol Tests for .....	583	Oil of Backhousia angustifolia..	625
Metric Standards Bill .....	69	Oil of Darwinia grandiflora....	625
Metric System, Japan Adopts...	712	Oil of Echinacea angustifolia...	767
Microscopic Analysis, Quantita-		Oil of Garlic .....	448
tive .....	112	Oil of Tung .....	630

PAGE	PAGE		
Oils of Chenopodium, Pharmacodynamic Study of Anthelmintic Properties of .....	760	Plant Science Laboratory Seminar .....	80, 194
Oils, Hydrogenation of .....	581	Pollen .....	628
Oils, New Essential from the Eucalypti .....	625	Pollen in Relation to Hay Fever .....	222
Ointment, Kaolin .....	160	Pollens, Table of Seasonal Variations .....	185
Ointment of Calomel, Assay of .....	712	Pollinosis .....	170
Opium Losing Its Grip .....	545	Poisoning by Haarlem Oil .....	531
Orcinol .....	584	Poison Ivy and Mah-jong .....	312
Our Fathers of Old (Poem)...	246	Poison Rum .....	2
Pancreas Gland .....	37	Poison, Strongest .....	917
Paradise Found .....	667	Poison, What is A .....	822
Patch, Edgard Leonard—Obituary .....	296	Portrait — Frederick Belding Power .....	600
Pennsylvania, Arctic and Tropical .....	865	Power, Frederick Belding, Record of Scientific Contributions of .....	601
Pepsin Preparations .....	764	Practical Suggestions from Experience .....	886
Petromortis .....	656	Procaine .....	479
Peyote .....	488	Psicaine .....	768
Pharmaceutical Research .....	437	Quartz, Glass .....	64, 917
Pharmacy College Curriculum... .	900	Radium Production in 1922.....	536
Pharmacy Colleges, List of.....	897	Rancidity .....	302
Pharmacy Headquarters .....	719, 864	Rau's Store in Bethlehem.....	667
Pharmacy, Study of, Strides in Last Century .....	894	Refrigeration .....	578
Pharmacognosy Desk, Special Type .....	684	Research, Pharmaceutical .....	437
Pharmacognosy Laboratory, Modern .....	683	Rhamnus Purshiana, Cascara Content of Wood and Bark of .....	400
Pharmacognosy Laboratory South Dakota State College, Division of Pharmacy .....	675	Ricin .....	917
Pharmacognosy, The Future of. ....	194	Roaches .....	322
Philadelphia College of Pharmacy and Science, Program of Free Lectures .....	776	Rodillon's Test for Nitrates, Further Notes on .....	295
Report of 103d Annual Meeting .....	381	Rubber Producing Plants .....	726
Report of President for Year Ending March, 1924 .....	386	Rubber, The Story of .....	721
The 101st Annual Commencement of .....	614	Rum, Poison Problem .....	1
Plant Colloids .....	211	Sadtler, Samuel P., Obituary...	134
		Sample, G. William, Obituary...	163
		Scarlet Fever, Dick Test for....	844
		Scientific and Technical Abstracts .....	64, 299, 379, 444, 533, 622

PAGE	PAGE		
Seminar, Plant Science Laboratory .....	80, 194	Time Stays, We Go .....	I
Senna, Tests for Anthraquinone Derivatives .....	845	Tonka Bean, Physiologic Actions of .....	533
Silica Glass .....	64	Toxicity of Hydrogen Sulphide.	232
Silico-tungstic Acid as Reagent for Quantitation of Alkaloids	762	Toxin, The Evolution of Chemical Terminology—VIII ....	746
Silver Protein, Assay of Silver in .....	594	Tryparsamide .....	304
Snow-gum .....	629	Tung Oil .....	630
Soda Water Origin .....	532	Urine, Unusual Ingredients in..	770
Solid Extracts .....	232, 627, 774, 915	Vanillin and Acetphenetidin, Solutions of .....	597
Spices and Drugs .....	91	Vanillin and Cumarin, Distinction Between .....	533
Spikenard .....	395	Vanillin, Detection of .....	446
Spinach, Iron Content of .....	361	Vanillin, Distinction from Cumarin .....	446
Spirits, The Return of .....	167	Vanillin, Synthetic .....	916
Starch, Physico-chemical Properties of—Part I .....	752	Vitamin B in Crystalline Form..	302
Starch, Some Physico-chemical Properties of .....	816	Vitamins, Common Methods of Studying .....	206
Steam, Density of .....	233	Vitamins Destroyed by Heavy Metals .....	299
Storage of Ligatures and Sutures .....	27	Weeds .....	627
Structure of the Atom .....	397	Whisky and the Pharmacopœia.	167
Sugar .....	278	Weidemann, Charles A., Obituary	370
Sunlight and Foods .....	775	Wiltberger, Thomas, A Founder of the Philadelphia College of Pharmacy .....	436
Sutures and Ligatures .....	6		
Taxin .....	232		
Tetraethyl Lead Poisoning .....	861
